# JSTOR

## www.jstor.org

JSTOR is a not-for-profit service that helps scholars, researchers, and students discover, use, and build upon a wide range of content in a trusted digital archive of over one thousand academic journals and other scholarly content.

#### 1. How can you search JSTOR?

Enter a search term at www.jstor.org. "Abraham Lincoln," for example.

JSTOR HOME SEARCH - BROWSE	MyJSTOR					
With thousands of academic journ	earch, teaching, and learning. nals and more than 1 million images, letters, and one of the world's most trusted sources for academic					
SEARCH	SEARCH					
Advanced Search	I SEARCH					
BROWSE BY DISCIPLINE						
African American Studies (15 titles)	History (240 titles)					
African Studies (40 titles)	History of Religions (1 title)					
American Indian Studies (4 titles)	History of Science & Technology (21 titles)					

### 2. What can you do with the resulting list?

Search within results, sort by date or relevance, limit to images, show only content you can access, save the search in MyJSTOR, etc.

#### 3. Need to refine the search even more?

Use Advanced Search to narrow by author, title, articles or reviews, date, journal, discipline, only

#### 4. Already know what article you are looking for? Use the Citation Locator...
